

Eicon Analog Holiday Sale Extended!

The response to our Eicon 4-port Analog Holiday Sale has been tremendous so we have decided to extend the sale until the end of this month. Regularly priced at \$1695, the 4-port analog Eicon Diva Server is now on sale for only \$1000*. That's a savings of nearly \$175 per port!

The Eicon Diva Server Analog cards offers outstanding features such as v.34 fax support (33.6K faxing), MH, MR & MMR compression, Error Correction Mode (ECM), plug-and-play support for Windows 2000/XP/2003 and is scalable up to 8 boards in a single PC.

TeleVantage Version 7

TeleVantage 7 includes many new enhancements that benefit your business. To highlight a few:

- Support for SIP phones
- Legacy Digital phone support (Avaya, NEC, Nortel and Siemens)
- Higher density support for ISDN PRI connections on Intel's DM3 family of boards.
- Boardless PBX option with Intel® NetStructure™ Host Media Processing (HMP) and SIP or H.323 VoIP
- Enhanced skills-based routing to allow customers to distribute calls with various skill requirements to the agent with the best matching skills.

Since TeleVantage Version 2, Copia's FaxFacts, VoiceFacts and E-MailFacts products have the ability to expand on the core functions of TeleVantage 7. We can provide you custom applications that utilize the combination of TeleVantage features with Copia's automation and document delivery expertise.

For more information on the advantages of a TeleVantage PBX system please contact your sales representative. Copia is a Vertical Preferred Partner.

Brooktrout Trade-in Program

Brooktrout has once again announced a trade in program for used boards. This is a great time to upgrade your ISA, PCI, and V.17 fax boards to the latest TR114 PCI, TR114 uPCI, and TR1034 boards. Now through December 31st you can get \$100 per port rebate on qualified trade-ins.

The TR1034 series supports v.34 for 33.6K faxing, T.38 support, and is available in 2-30 port configurations. By trading up you take advantage of new technology, start a new warranty period, and also reduce your current calling costs by increasing your throughput.

Please contact your sales representative for more information and a list of eligible boards. (TruFax boards are not eligible for trade in credit)
